

## PERFECT DESCENT BODYGUARD

Ref: A00982

Perfect Descent - Bodyguard

The Bodyguard has been designed to provide optimal protection for Perfect Descent 220/230 series Auto Belays, including the Speed Drive and Direct Drive models. The Bodyguard features a layer of padding that securely attaches to the auto belay, dampening noise and protecting the case and your climbing wall from damage. A ladder-lock buckle on the top strap allows the Bodyguard to be fitted and removed while the auto belay is mounted, making installation and removal simple and quick. The Bodyguard is the must-have accessory for your auto belay investment.
