

RAINBOW 9,6MM

Ref: C100960080

La Rainbow

La Rainbow is one of the most iconic and special ropes in Fixe's catalog. To celebrate the first 100 years of Roca, we made this dye for the first time in 1991. Today we continue this manufacturing, with unique colors that characterize it. All ropes have a customized coloration, as they are hand-painted after braiding.

A mid-range diameter within the spectrum favored by those who climb single-pitch routes. Strength and durability define it and it's ideal for lead climbing and working projects.
