

## ESPELEO

**Ref: H51009**

Harness designed for caving. Its lightness and resistance in friction areas is notable. The buckles securely lock the straps in all kinds of conditions.

One size with a wide range:

- Adjustable waist up to 120 cm.
- Adjustable leg straps up to 90 cm.
- Elastic straps at the back.

Colour code. Designed in three colours:

Red: Safety seams and gear loops. More intuitive manoeuvrability and an easy review of security points.

Black: Covers the areas most exposed to contact and at risk of chafing.

Includes a breathable carry bag.
