

ROPE MARKER

Ref: E00301

Red Rope Marker Mark Your Ropes with Precision and Durability

Use our Red Rope Marker to mark climbing ropes with high visibility and resistance to water and abrasion. Ideal for signaling the Middle Mark of your rope, identifying length, marking key points, or highlighting any damage.

Recommendations and Uses

- To mark climbing ropes, identify length, and mark key points.
- To identify rope length and mark reference or warning points, such as the 8m Mark.
- To highlight any damage to the ropes.
