

CANYON EXPRESS SLING

Ref: Z70530

Express Barrancos

This Fixe quickdraw is specifically designed to tackle the vertical challenges of canyons. With a width of 1.6 cm and a length of 30 cm, it features a hole size of 5 cm, allowing for greater freedom of movement and improved maneuverability between the sling and the carabiner. This is made possible by its design without an anti-twist system, which provides a smoother connection between the sling and the carabiner. Made of polyamide.

Ideal for vertical adventures in wet and demanding conditions.

Key Features:

- Specially designed for canyons
- Increased carabiner mobility thanks to a 5 cm hole size
- No anti-twist system
- EN566 certification

Made in Sant Quirze de Besora (Barcelona – Pyrenees).
